

masRAP™

- A koolPAK™ pocket areas
- B Velcro® attachment area

Instructions

1. Place the masRAP™ around the chest and attach the Velcro® closure (FIGURE 1).
2. Pull the straps over the shoulders and attach to the hook that is under the felt tab. If straps are not wanted, cut them off and press the felt over the hook to protect against snagging of clothing and scratching of skin (FIGURE 2).
3. The special designed pockets on the right and left breast are easily accessible to slide cold therapy packs in between the layers of fabric (FIGURE 2).
4. Adjust as needed to ensure even pressure over the surgical site.

PRECAUTIONS

Our orthoRAPs® are not designed for any other use except as indicated. These wraps should be applied properly by a MEDICAL PROFESSIONAL ONLY. The patient should be frequently monitored for signs of discoloration or circulatory problems. These products are NOT STERILE. DO NOT APPLY DIRECTLY OVER WOUND. The sizing chart is approximate, the optimal size may need to be determined at the time of application. DO NOT USE ON PATIENTS WITH ALLERGIES TO COTTON OR LYCRA.
